Think you have the best tasting water in Vermont? Enter the **2020 Drinking Water Taste Test** during Vermont Rural Water's Annual Conference.

**When:** May 7, 2020 9:30 AM; deliver samples by 9AM  
**Where:** Lake Morey Resort, Fairlee  
**During:** VRWA Annual Conference

Name of system:_________________________________________  WSID: ____________

Applicant name: ________________________________________

Telephone Number:__________________  Email Address: __________________________

Please scan this form and email to: vermontdrinkingwaterweek@gmail.com

Participating water systems must have a valid Permit to Operate with no state or federal drinking water violations (MCL, monitoring, reporting, etc.) during the previous calendar year.

There are four categories for this contest- Public Community surface water, Public Community groundwater, Non-transient Non-Community and Transient, Non-Community. A winner will be chosen in each category and an overall winner will be chosen from the top finishers.

Participants will receive acknowledgement from Coordinator after receipt of application; if you do not receive acknowledgement from the Coordinator, you may not participate.

Just one gallon of water is required and no more; however, failure to provide the minimum will result in disqualification. The water system may use a container of their choosing, but glass is strongly recommended. Containers will be returned; however, it will be the owner's responsibility to collect them. Samples should be drawn no earlier than the day before the contest and will be served at room temperature in plastic cups.

**All samples must be received by 9 AM on May 7th:** judging will begin at 9:30 AM. There will be a designated tasting area where samples can be delivered at the Conference.

The winner will be entered in the Great American Water Taste Content, sponsored by National Rural Water Association in February 2021.

Please contact Ashley Lucht by email vermontdrinkingwaterweek@gmail.com or phone 802-861-0074 with any questions or if you need additional information.
