

2024 Newsletter Advertising

NewsLeaks is the quarterly newsletter of the Vermont Rural Water Association. The publication contains articles written by our staff and guest authors, plus our quarterly training calendar.

Advertising in *NewsLeaks* is the premier way to reach professionals in Vermont's water and wastewater industry. Ads are included in both the print and online publication; both are now full-color. The print version is mailed to over 900 people, and the PDF version is available on our website and promoted through our email list. To view past issues, visit vtruralwater.org/resources/newsleaks
